

**Consent Form for the use of photographs or video on the FSAS website.**

The Friends of St. Alphege Schools (registered charity 1114303) recognises the need to ensure the welfare and safety of all young people.

In accordance with our child protection policy we will not permit photographs, video or other images of young people to be taken without the consent of the parents/carers.

The FSAS will follow the guidance for the use of photographs a copy of which is available from any FSAS Committee member, and on our website ([www.thefsas.co.uk](http://www.thefsas.co.uk)).

The FSAS will take all steps to ensure these images are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately you should inform a Committee member immediately.

I (*the parent/carer*) consent to The FSAS photographing or videoing for use on the FSAS website only.
